SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

The following information and attached material are submitted for the Examiner's consideration relative to one or more of the claims in the above-identified application. Form PTO-1449 and a copy of each item listed thereon are attached. Also attached is a copy of a European Search Report from the PCT patent application which corresponds to US patent application SN09/185,310. The present application claims priority of said SN 09/185,310 which is now Patent No. 6,066,092.

All of the prior art documents are referenced in the European Search Report and the relevance of these documents to the claimed subject matter in this application is believed to be explained in the European Search Report.

"Express mail" mailing label number: EF360361716US

Date of Deposit: 17 April 2001

I hereby certify that this correspondence is being deposited with the United States Postal Service "Express Mail Post Office to Addressee" service under 37 CFR 1.10 on the date indicated above and is addressed to the Honorable Director of the United States Patent and Trademark Office, Washington, D.C. 20231.

Meridith L. Deverman

One or more of the documents may have markings thereon. No significance is meant to be attached to the markings.

It is believed that this disclosure complies with the requirements of 37 C.F.R. §§ 1.56, 1.97 and 1.98, and the Manual of Patent Examining Procedure §609. If for some reason the examiner considers otherwise, it is respectfully requested that the undersigned be called so that any deficiencies can be remedied.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Robert E. Muir", is written over a horizontal line.
